### **How to Sort and Discard Garbage**

\*Thank you for reading these rules and sorting your garbage\*

Follow these rules when you throw away garbage in the campground's designated area.

1. Burnable garbage (no official garbage bag necessary)

- Please put burnable garbage into a bag and tie the opening closed tightly before throwing it away.

- Please crumble styrofoam into smaller pieces and throw it away inside a bag as burnable garbage.

- Throw cardboard away by folding it up and putting it in the marked location. Make sure to close the lid.

- After you throw away your garbage, make sure the garbage lid is totally shut.

\*This is to prevent local animals from getting into the garbage.

2. Unburnable garbage (bottles, cans and plastic bottles only)

- Sort your garbage into bottles, cans and plastic bottles, and throw them away in their designated areas.

\*You are not allowed to discard any other kinds of unburnable garbage here.

- Please remove the cap and label from plastic bottles.

- Please remove the cap from glass bottles.

- Please sort your glass bottles by color:

(Clear bottles) (Brown bottles) (All other colors like blue, green, black, etc)

\*About garbage we can't collect

- If you have other kinds of garbage besides what's listed in 1 and 2 above, please take all of that garbage home with you.

- If you aren't sure about your garbage, check with staff before you throw anything away.

You cannot throw away gas cylinders, barbecue grills, batteries, or damaged tents at this campground.

This is everybody's garbage station, so please follow the rules and be neat so everyone can have a good experience. Thank you for your cooperation!
